

HELLENIC SCIENTIFIC COUNCIL for the **INFORMATION SOCIETY (HSCIS)**
7th International Conference on e-Democracy:

WORKSHOP

“Technologies and Procedures as Tools for Compliance with the General Data Protection Regulation (GDPR)”

The Workshop is a parallel event of the 7th International Conference on e-Democracy: Privacy-preserving, Secure and Intelligent e-Government Services. Representatives from the Hellenic Data Protection Authority, the European Agency for Network and Information Security (ENISA) and the European Data Protection Supervisor (EDPS) will present some important technological and procedural aspects for compliance with the General Data Protection Regulation (GDPR).
